### Regulation-17 Seniority rules for the Teachers of I.P.G.T. & r.A.

**Seniority rules for the Teachers of I.P.G.T. & R.A.**

13th Board held on 27.08.2008 vide item No. 19 formed a committee as follows to examine the Seniority rules:

1. Dr. S. K. Sharma, Advisor(Ayu), Govt. of India
2. Dr. V. K. Joshi, Dean, IMS, BHU, Varanasi
3. Director, AYUSH, Govt. of India

1. **General procedure:** Relative seniority of all direct recruits will be according to the order of performance merit in the Select List drawn by Staff Selection Committee (SSC). Persons appointed from an earlier select list rank senior en bloc to those appointed from subsequent list.

2. **Delay in joining duty:** Persons selected are required to join duty within a specified time (not exceeding one or two months). Offer letter will make it clear that the offer will lapse, if they do not join within that time. Seniority will not be affected, if persons join before specified date. (In exceptional cases, there is provision to extend time up to six months. In that case also seniority will not be affected).

Or in other words in case of direct recruits, seniority of those selected by the same Selection Committee will be determined in the order of their appointment, regardless of the actual date of their joining in consequence of that appointment order. If no sequence is indicated the age will be the criterion, the elder person being considered senior.

3. **On revival of the lapsed offer.** – A lapsed offer can be revived in the public interest in exceptional circumstances only and in consultation with SSC. In such cases, the person joining after the revival will be shown as junior to all the persons in the Select List. If in the meantime, another selection take place and some or all of the selected persons join, the person will be junior to all those of such subsequent list.

4. **Seniority will be de-linked from confirmation,** however seniority benefits will not be provided during probation period.
5. Seniority of the persons in a particular cadre will be determined with reference to the total length of service put in by them in that or equivalent or higher cadres in the same or another Department or office.

6. Whether, in accordance with these rules any person is to hold any office or be a member of any authority of the University by rotation according to seniority, such seniority as between two persons holding permanent posts of similar rank or grade shall be determined in accordance with the length of continuous permanent service in such rank or grade. In the case of two persons in temporary service in similar rank or grade, seniority shall be determined in accordance with the length of continuous temporary service in such rank or grade; between a permanent employee and a temporary employee in the same rank or grade the permanent employee shall be senior.

7. a) The promotee under CAS Professor / Reader vis-à-vis direct inductees will be on the basis of their merit in the select list. In case of CAS promotee the date of placement in the promoted cadre will be taken into consideration for seniority. In case of direct inductee the seniority will be on the basis of the date of finalization of consolidated merit wise select list.

b) The seniority lists of Lecturers / Sr. Lecturers / Lecturers selection grade will be maintained separately. Lectures working in higher grade will be senior.

8. In the case of promotions both by “Selection on Merit” / “Selection – cum – Seniority” basis, seniority will be in the order of merit list drawn by the SSC. In the case of promotions by “seniority-cum-fitness” basis, names of unsuitable candidates will be removed and the original seniority maintained for the rest.

9. Where promotions are made from different feeder cadres – If separate quotas are fixed for different feeder cadres, separate Select Lists should be prepared for each feeder cadre and selection made from each list to the extent of quota. A consolidated list of the selected candidates will be prepared in orders of merit irrespective of field cadre.

10. In case of promotion to higher post if joining date is same, then employee’s seniority in the lower cadre will determine his / her seniority in the higher post.

11. Model Roster for Cadre strength will be as per State Government rules.
