a) Professor	05
b) Reader	04
c) Lecturer	02

- (c) Ph.D. degree is essential for membership of the DRC and any teacher will be eligible for DRC membership only after the award of Ph.D. Degree.
- (d) A teacher will not be allowed to register the Ph.D. candidate two years prior to his/her retirement. In case the Supervisor appointed by the University to guide the Research work of the candidate, retires and if the scholar has already completed two years period under supervision, the student should be allowed to continue in the name of his original supervisor/ Guide in his/her thesis and even after retirement, the Guide will be chairman of DRC as defined in regulation 11(g) for Viva Voce examination. In case the Supervisor appointed by the University to guide the research work of the candidate ceases to be the Supervisor by virtue of retirement or otherwise, if co-guide is qualified for the guide-ship provided that he/she is a guide in that particular subject, he may automatically be the guide of the scholar otherwise the assignment of the next supervisor shall be made by the DRC after giving due consideration to the views of the original Supervisor and the concerned candidate in this regard. If particular guide such approved by DRC is not recognized by University Authority for that particular subject, same should be forwarded with reasons & recommendation of DRC to the University for approval, which will be abiding to this particular case only

PH.D. REGULATION NO. 6 RESEARCH PROJECT

- (a) The candidate enrolled for the Ph.D. will be required to be present in the University for at least 2 years. Field work for Research investigations shall be taken as a part of Ph.D. work for the purpose of attendance. As a part of the academic duties the Ph.D. scholar shall be required to take lectures in the U.G. and P.G. classes as and when asked by the concerned Guide / Supervisor.
- (b) The field work will include the practicals / survey work etc. conducted at places other than the University premises approved by the DRC at the recommendations of Guide / Supervisor as such period not exceeding 3 months during the total tenure of Ph.D. work.
- (c) No Research scholar shall during the period of Research accept any paid assignment unless in the opinion of the DRC such an assignment will not interfere with his Research work.
- (d) Research scholar shall not be permitted to take any other degree course but may be helpful in his Research. Permission to attend diploma or certificate classes shall be given by the DRC.

PH.D. REGULATION NO. 7 PROJECT REPORT

- (a) The Supervisor shall keep a record of the progress of the candidate and shall forward it with his/her remarks to the Director at six monthly intervals. The DRC of the Institute shall consider and approve the progress reports. The first progress report shall be submitted within a month of the date of which the six monthly interval elapses indicating the broad field of research synopsis on which the candidate has been directed to work. The subsequent six monthly reports shall be sent to the Director in a similar manner.
- (b) Registration of a Research scholar shall be liable to be cancelled by the DRC at any time if his/her consecutive six monthly reports are not satisfactory. The registration may also be cancelled if in the opinion of the DRC the candidate has not done satisfactory progress in his work.

PH.D. REGULATION NO. 8 LEAVE

- (a) The scholars will be allowed causal leave up to 15 days each year. This leave can be joined with holidays / Sundays and the scholars can enjoy such leave maximum up to 10 days at a time including holidays. In between holidays shall be considered as holidays.
- (b) The scholars will also be allowed 15 days Sick Leave in a year on submission of medical certificate of a registered medical practitioner.
- (c) Duty / Special leave shall be granted to the scholars who are deputed or allowed by the authority to take part in the sports, seminar etc. Such leave shall not exceed 15 days in a year. However, the Director shall have power to extend this leave maximum by 15 days in special case.
- (d) Any unreasonable leave enjoyed without the previous approval of the Director or in excess of limit mentioned above as per clause (a) to (c) shall be treated as willful absence and no stipend shall be granted for such period and may be liable for further disciplinary action which may include suspension of the candidate and recovery of the stipend paid.
- (e) 40 days maternity leave will be given to the Ph.D. female scholars only once during the course of study.
- (f) In extra ordinary circumstances if a student requires leave with justification which is not covered under above clause, he/she may be sanctioned extra ordinary leave by the Director, maximum up to 60 days without stipend. However, this period will have to be compensated to fulfill the minimum required two year period

PH.D. REGULATION NO. 9

SUBMISSION AND EVALUATION OF THE THESIS

- (a)(1) Every Research Scholar shall submit ten copies of the summary of his/her completed thesis with the specific title through the Guide minimum two months before submitting the thesis. On examination of the summary, the DRC Committee shall permit pre-submission of thesis.

Prior to the submission of the thesis the candidate shall be required to present a summary of his / her thesis in a seminar to be conducted by the Director on the recommendations of the DRC. The candidate will have to apprise all the teachers and other Research workers of the Institute of his work so as to finalize the work of his / her thesis and to receive suggestions for the improvement in the research work. The candidate shall have to present his / her work in the pre-submission seminar within six months of the completion of his / her work and he / she shall have to submit his / her thesis within 6 months from the date of pre-submission seminar.

- (2) Every Research scholar will publish at least one research paper based on his / her current doctoral research work in a peer reviewed research journal before actual submission of his/ her thesis. Copies of such published research paper or a letter of acceptance for publication of such a paper along with accepted copy of the research paper will have to be submitted to the University along with the copy of the completed thesis. No scholar will be allowed to submit his / her thesis if he / she fails to do so.
- (b) Before a candidate submits his / her thesis for the Ph.D. he / she shall submit a certificate from the supervisor and the Head of the Department:-
- (1) He/she has completed the Research work for the full period prescribed under Regulation No. 3 and that the thesis embodied the result of his/her investigation conducted during the period he/she worked as a Ph.D. Research scholar.
 - (2) He/she has returned all equipments issued to him / her during the above period.
 - (3) He / she has published a research paper based on his / her current doctoral research work or his / her research paper has been accepted in a peer reviewed research journal.
- (c) On completing his/her course of study the candidate who intends to supplicate for the Degree shall apply in writing to the Registrar through Supervisor, Head of the department, Dean and the Director and shall forward therewith –
- (1) Four copies of the printed thesis along with full thesis in the form of CD
 - (2) The prescribed examination and other fees.
 - (3) He/she may also submit as subsidiary matter in support of his/her candidature any printed or typewritten contribution or contributions to the advancement of knowledge which he/she may have published independently or conjointly.
 - (4) The thesis by the candidate shall be written in Sanskrit/Hindi/English.

- (5) He/ she shall submit an abstract of the work done in about 600 words giving the salient points of his/her investigation for publication in the abstracts of the thesis accepted for the Ph.D. degree of this University.
- (d) (i) The candidate shall indicate in the preface of his/her thesis how far it embodies the result of his/her own Research or observations and in what respects his investigations appears to him to advance the knowledge of the subject.
- (ii) The thesis shall include a certificate by the candidate that the work reported in the thesis has been carried out by the candidate himself / herself and that the material from other sources, if any, is duly acknowledged. The thesis shall be accompanied by declaration signed by the candidate to the effect that “the thesis is his/her original and independent work”. It shall also be authenticated by the Guide.
- (iii) He/she shall not submit as his/her thesis any work which has been accepted or rejected for a degree or any other distinction in this or in any other University, but he may incorporate in his/her thesis the contents of any work which he/she may have previously done on the subject. Provided that in such a case he/she shall indicate in his/her application and in the preface of his/her thesis, the extent to which such work previously done has been incorporated.
- (IV) Four copies of the Printed thesis shall be presented in accordance with the following specifications.
- a) The paper used for printing shall be A4 size.
 - b) Printing shall be in a standardized form on **both** side of the paper and in one and half spacing.
 - c) A margin of one and half inches shall be left on the left hand side.
 - d) Times New Roman or Arial Font of size 12 for English and for Devnagari Post script fonts of size 14 should be used.
 - e) The cover page of the thesis should display
 - i) The Title of the thesis
 - ii) Name of the University
 - iii) Degree, its speciality and department
 - iv) Full name of the Candidate
 - v) Name of the Guide and Co-Guide if any
 - vi) Month and year of the submission
 - vii) Registration number
 - viii) The card of the cover of hard bound thesis shall not be more than 330gm.
(For sample page see Appendix—)
 - f) The scholar will initially submit four **soft bound** copies of the thesis for the evaluation of examiners. Once the thesis approved by all the examiners, the scholar will be informed. about the approval and will be asked to incorporate, the suggestions of the examiners if any in the thesis and submit **three** hard bound copies of the thesis to the University before his / her oral examination. The scholar will issue a declaration countersigned by the supervisor to the effect that suggestions of the examiners are duly incorporated in the thesis.

- (a) A teacher with a Ph.D. Degree in concerned or allied subjects having five years PG teaching experience or ten years UG teaching experience minimum as Lecturer in concerned subject can be appointed as Examiner for the Ph.D. examinations of thesis and viva-voce.
There shall be four adjudicators to be appointed by the University for adjudication of the thesis. At the time of the submission of the thesis the concerned DRC shall ordinarily recommend a panel of six examiners with complete bio-data of each of the examiners to the University. The Vice-Chancellor shall appoint four examiners (One internal and three external) from the panel submitted by the DRC. The guide of the candidate shall be the internal examiner.
- (b) The examiners shall ordinarily accept appointment offered by the University within the time indicated by the Registrar in the appointment letter. If the examiner does not accept the invitation within thirty days from the date of dispatch of the invitation letter, invitation will be sent to another examiner on the panel.
- (c) The examiners shall ordinarily submit their individual reports within 2 months of the receipt of the thesis. In special cases on the request of the examiners the time of submission of the reports may be further extended by the University. If the examiner concerned fails to submit the report in extended period also another examiner shall be appointed from the panel to evaluate the thesis.
- (d) Ordinarily the copy of the thesis shall be returned with the submission of the report. In submitting the report, the examiner shall state whether the thesis complies with the following conditions to merit the award of the degree.
- (A) It must be a piece of Research work, characterized either by the discovery of new facts or by fresh approach towards interpretation of facts and theories.
- (B) It should evidence the candidates capacity for critical examination and judgment.
- (C) It shall also be satisfactory so far as its literary presentation is concerned.
- (e) After the examiners have evaluated the thesis, they may recommend:
- (A) That the thesis be accepted for the award of the Ph.D. degree.
- (B) That the thesis be represented in a revised form.
- (C) That the thesis be rejected.
- The examiner should give his detailed evaluating comments. Final recommendation of the examiner should be in line with and commensurating with his evaluating comments.
- (f)(1) The report shall be specific and shall state the grounds on which the recommendation is based. In case three examiners recommend the award of the Ph.D. degree and the fourth examiner differs, the reports of the examiners with the recommendations and the thesis shall be referred to a fifth examiner without mentioning the names of the examiners who may make a recommendation in the manner specified above; and his recommendation shall be final i.e. if he disapproves the thesis the thesis will be rejected. Non approval of the thesis by two or more examiners will lead to rejection of the thesis. In such circumstances no Viva Voce will be held and candidate will be declared as failed.
- If the thesis is approved by all the examiners and viva voce is to be held in such circumstances the reports shall be made available to the candidate, the research guide and the chairperson without mentioning the name of examiners at least 15 days before the viva voce.

(g) **Viva voce and open defence of the thesis**

1. On approval of the thesis by all the examiners Viva Voce and defense shall be held at the University preferably in IPGT&RA. Viva-voce will be conducted by the DRC. The RDC under the Chairmanship of Vice Chancellor or his nominee (Director/ Dean) will conduct the open defense of the thesis.
2. The day, date, time and the place for the viva voce and the defense of thesis shall be notified by the Examination Section, in consultation with the internal examiner, at least fifteen days in advance.
3. The defense of the thesis shall take place in the presence of RDC. The internal examiner, external examiner and the chairperson shall jointly evaluate the performance of the candidate considering the report of DRC and performance of the candidate during the defense.
4. If neither of the external referees is able to be present at the time of the defense, the Vice Chancellor, on the recommendation of The director shall appoint a senior research guide in the subject to act as an examiner for the defense of the thesis. if the internal examiner is not available, the Vice Chancellor shall appoint one of the senior research guides in the subject concerned.
5. The DRC will submit the report of Viva-voce to the Examination section following which open defense will be held by RDC. The Chairman, Internal Examiner and External Examiner will submit the report immediately after completion of the open defense to the University. In case of difference of opinions, the Chairman's decision will be final.
6. The overall result shall be officially declared by the Examination Section within seven clear days from the date of the defense of thesis. Provisional degree certificate may be issued by the examination branch of the University after the declaration of result.
7. In case the defense is not satisfactory the RDC may recommend that a fresh viva-voce and the defense of thesis be organized after a certain period of time, but in any case within one year. for such fresh viva-voce, fresh fee of Rs. 1000/- or as required to meet the expenses for the viva voce which ever is higher shall be charged. Candidate will be given maximum one chance to re-appear for the open defence.
8. The recommendation of the Research Degree Committee shall be placed before the Board of PGT & R for approval of the degree.

PH.D. REGULATION NO. 11 (Deleted)

PH.D. REGULATION NO. 12 If directed by the examiners, the revised thesis must be submitted within five years of the formal date of registration or within one year of the date of receipt of the information from the Registrar regarding resubmission, whichever is later.

In case two or more than two examiners call for major revision and rewriting of the thesis, thesis shall be so revised, rewritten and resubmitted within a period of one calendar year from the date the referees' comments are communicated to the candidate. In such a case tuition fee for the year and 75% of examination fee shall be paid for resubmission. If more than one years' time is required but total time so required is less than seven years from initial registration, the candidate shall be granted extension of time to that extent. In such a case yearly tuition fees and full examination fee shall be paid by the candidate for resubmission. In case the total time required or taken exceeds seven

years from the date of initial registration, the candidate shall have to re-register for Ph.D.
