ITEM NO.:07: TO CONFIRM THE EMPLOYEES OF THE I.P.G.T. & R.A.

While discussing the confirmation cases of employees, Board noted that the Regulation No. 19 having the provision for DPC / Confirmation Committee has been abolished by the Senate hence Board has to consider these cases.

During discussion chairman brought to the notice of Board that regarding the confirmation case of Dr. B.J. Patgiri one representation was received from Dr. K. R. Baldaniya. In this regard Board has been informed that Dr. K. R. Baldaniya has already approached the Hon'ble High Court in this regard vide his **petition No. 1139/2009 & 7592/2010** The Board observed that since there is no court order in this matter till date and further that otherwise he is eligible and entitled to be confirmed in the post held by him, his services be confirmed.

The confirmation case of Shri D. D. Kanjaria on the post of Office Superintendent after completion of 02 years' probation was discussed in

detail. While asking about his ACR's it was reported that ACR's of Shri D.D. Kanjaria are excellent and very good during two years of probation. The Vice Chancellor reported that a one man inquiry committee under retired Judge has been setup on the complaint of one Social Activist which was forwarded by the Office of the Governor, Gujarat State. The Director, I.P.G.T. & R.A. had responded to that complaint. However, Office of the Governor again asked Parawise clarification on ten related issues. That's why an inquiry committee has been setup to know the truth and facts related to all matters of the recruitment process for the post of Office Superintendent. This was informed by the Director that the RRs for the post of Office Superintendent has been duly amended by the Board and duly approved by the Government. of India. It was also informed that as per the Order No. R. 12012/01/2009-NI dated 29-10-2009, the team of two Under Secretaries and one Joint Advisor, Deptt. Of AYUSH, Government of India during 4th to 7th November, 2009 has investigated the recruitment process along with other matters and in their report submitted to the Deptt. of AYUSH opined that the allegations are not correct.

Though Board viewed that as per rules Shri Kanjaria is entitled to be confirmed as no adverse remarks or notice has been served to him during the period of two years from his appointment. Since confirmation of appointment after completion of probation links with the performance of employee during the period and there was no dissatisfactory note about his services during the period. Most of the members expressed their views that Shri Kanjaria was appointed by the Board on the recommendation of duly constituted Staff Selection Committee based on his performance & fulfilling the Recruitment Rules of the post, hence his probation should be cleared. However, the Vice Chancellor assured the Board that the inquiry will be completed within a month after the first sitting of the Inquiry committee and till then the confirmation process of Shri D.D. Kanjaria may be deferred. Keeping in view the Board decided to consider the confirmation case of Shri Kanjaria in the next meeting of the Board.
